REDACTED FOR PUBLIC INSPECTION

June 14, 2017

Ms. Marlene H. Dortch
Office of the Secretary
Federal Communications Commission
445 12th Street SW
Washington, D.C. 20554

RE: WC Docket No. 14-58, WC Docket No. 10-90

Pursuant to Section 54.313 and 54.422 of the Federal Communications Commission's rules enclosed is the 2017 annual report and certifications for Windstream **Study Area Code 269690 located in Kentucky**. A copy of this report is also being filed with the Universal Service Administration Company (USAC), relevant state public service commissions, and tribal governments.

Windstream redacted Section 54.313(h)(1) Rate Floor Data Update customer line/loop counts, which is not readily available to Windstream's competition. Release of this information would cause Windstream to reveal proprietary information that would cause damage to its competitive position.

This filing contains a redacted (200) Service Outage Reporting (Voice) form. The information that was redacted is considered Confidential by the FCC and would cause Windstream to reveal proprietary information and trade secrets and cause damage to its competitive position.

Also redacted are forms (330) Unfulfilled Broadband Service Requests and (710) Company Broadband Service Price Offerings. Windstream does not make this information available to the public in the format required by this report. Release of this data would be detrimental to Windstream as it would provide other broadband providers servicing these areas a competitive advantage.

Should you have any questions, please contact me via email at jeff.l.heacox@windstream.com or by phone at 501-748-5390.

Sincerely,

/s/ Jeff Heacox

LIFELINE SERVICE

Definition

Lifeline Service is a retail local service offering available to qualifying low-income residential customers and is provided pursuant to the FCC Order 12-11 released on February 6, 2012. Funding for Lifeline Service is obtained from a universal service support mechanism to which all telecommunications carriers that provide interstate telecommunications services contribute on an equitable and nondiscriminatory basis. Lifeline is a government benefit program, and consumers who willfully make false statements to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

Discounts

- A. The following credits will apply for customers deemed eligible for Lifeline assistance:
Monthly Credit

Federal Credit	\$9.25
State Credit to Residential Access Line	Varies by state

Residents of federally recognized tribal lands may Receive an additional reduction up to	\$25.00
---	---------

- B. The monthly discounted residential rate for qualified low-income customers may not be reduced below zero. Therefore, the credit amount defined in A. above shall not exceed the total of the subscriber line charge and the customer's normal residential local exchange service rate.

General

- A. The Company shall offer toll blocking to all qualifying low income customers at no charge at the time such customers subscribe to Lifeline service. If the customer voluntarily elects to receive toll blocking, the service shall become part of the customer's Lifeline service and all service deposits will be waived.
- B. Lifeline program rate reductions do not apply to long distance service or any other services (i.e., Custom Calling, CLASS, construction charges, etc.) which may or may not be tariffed. Customers may obtain such services, where available, at their discretion, although the Lifeline program rate reduction does not apply.
- C. Lifeline program service will not be available on a retro-active basis.

Eligibility Requirements

- A. The Lifeline program rate reduction shall apply to one (1) benefit per residential household, at the subscriber's principal place of residence. Service is limited to only one Service per qualified customer or household; within this section, 'household' is defined as "any individual or group of individuals who are living together at the same address as one economic unit," with an 'economic unit' defined as, "all adult individuals contributing to and sharing in the income and expenses of a household."

- D. The customer must sign, under penalty of perjury, a document certifying:

He/she receive(s) benefits from one of the program(s) identified above or

He/she's annual household income is at or below 135 percent of the Federal Poverty Guidelines.

He/she must notify their service provider within 30 days if he/she no longer meets the program or income eligibility criteria

He/she must acknowledge that the household only receives one Lifeline Program benefit

He/she acknowledges the data provided on this application form is true and correct to the best of their knowledge.

He/she may be required to recertify eligibility at any time and failure to recertify eligibility for the Lifeline Program will result in removal from the Lifeline Program and termination of Lifeline benefit.

He/she if seeking to qualify for Lifeline as an eligible resident of Tribal Land, he/she certifies they live on Tribal Land as defined in Section 54.400(e) of Lifeline rules.

- E. Customers qualifying for Lifeline Service are offered the services or functionalities enumerated in 47 Code of Federal Regulations §54.101 (a) (1)-(8) (relating to Supported Service for Rural, Insular and High Cost Areas).
- F. The method for verification of the eligibility criteria set forth above shall be a national eligibility verifier. Until the national eligibility verifier has been established to verify eligibility the verification method will be self-certification by the recipients of the eligible programs. The Company has certification processes in place which at the time of enrollment requires a documentation review that confirms the consumer's household eligibility. The Company will retain copies of the self-certification records of both the applicant and the Company. A Company officer will attest that these procedures are in place.
- G. The Company will annually verify the continued eligibility pursuant to the FCC Order 12-11 released on February 6, 2012.

Service Charges

- A. Service charges do not apply when eligible customers with existing residential service convert to Lifeline Service.
- B. A service order deposit is not applicable to customers who elect toll blocking when initiating Lifeline service.

C. A service order charge does apply when:

At the time Lifeline Service billing is initiated, eligible residential local exchange access service customers also request additional optional calling features such as Custom Calling Features, CLASS features, etc.

Any subsequent moves or changes after the initial connection to Lifeline service are requested by the customer.

Service is established for new residential applicants (those without existing local exchange access service) eligible for Lifeline Service.

- B. Partial payments that are received from Lifeline customers will first be applied to local service charges and then to any outstanding toll charges.
